

# Care Gap Management

Reimagined. Redesigned. Realtime.

View care gap status, at a glance, then take action.

Providers can easily understand key care gap metrics, including total number of open member care gaps. They can search and filter by practitioner, member or gap type, then take immediate actions to close gaps.

## Quality Incentive Program earnings progress report.

Providers view incentive program estimated earnings progress updated daily including current level, the next nearest levels and the maximum incentive possible.

## Close care gaps.

Providers attach medical records and close member care gaps with a simple, powerful, intuitive web interface.

Member Roster

All Providers

Member Gaps | Member Roster **6126**

LAST NAME ↑	FIRST NAME ↓	DOB	MEMBER ID
ABERNATHY	ALI	06/25/1941	249954283
ERDMAN	WILLIS	05/05/1944	593768362
ADAMS	CYNTHIA	03/18/1929	483017418
ZIEME	AUDRA	11/30/1940	532882866
ORN	ADELINE	04/14/1948	775575341
BEATTY	LAVINIA	01/26/1945	942641025

## Manage the member roster.

Providers view members attributed to their provider group and can manage the member roster in real-time with a click of a button.

## Gap Validation

Your gap validators or Novillus certified coders use powerful, intuitive gap validation tools to manage the care gap lifecycle. A workflow engine ensures your business rules for gap closure are met.

Core Gap Management Application

COMMENTS

JOHN A SMITH, MD (Provider) - 03/14/2018 9:49 AM  
I have attached a medical file, and am closing this care gap.

## Performance dashboards give you actionable insights.

Providers can view key performance indicators for incentive program gap closure progress. Gaps are visually grouped together by type, such as Preventive Screenings, Chronic Disease Management. Drill down to see details, then click to take gap closing actions to improve member outcomes and Star ratings.
